Dr. Fowler, I am planning on attending the Convention. Do you think I would miss K-State in 98! As for the Ham Radio Network, I don't know a thing about it, but a guy I work with is president of a Ham Radio Club. If Dr. Basore needs someone local to help, he might be able to provide some assistance. I hope the other plans are running smoothly and I'll talk to you soon.  
Jeremy
